Fit City Tyler

Improving the Culture of Health in Tyler and East Texas

Fit City Tyler is a community wellness coalition that supports individuals, families, and businesses to create action toward adopting healthy lifestyles.

Our efforts have expanded across northeast Texas, supporting the collaborative efforts of our coalition members who engage local businesses, churches, schools, non-profit organizations and individual citizens.

The Fit City Tyler coalition consists of more than 100 local organizations: the media, hospitals, gyms, public and private schools, city and county government, community clinics, public health organizations, non-profits, restaurants, churches, health clubs, fitness gyms, Cross Fit boxes and numerous community volunteers.

Become a Fit City Tyler Healthiest Workplace Award Winning Company

The best asset of every community is the people and the best asset of every organization is the employees. Fit City Tyler is committed to providing awareness towards the health and wellbeing of every person in East Texas.

With the help of our local organizations, we can spread the word, provide encouragement and promote healthy lifestyles. East Texas has many businesses, schools, hospitals, and other facilities that provide ongoing wellness programs and community outreach. Help us recognize you and your facility as being one of Tyler's Healthiest Workplace facilities. Share your ideas and programs with other business organizations on how to build a successful healthy workplace environment.

By becoming one of Fit City Tyler's Healthiest Workplace, you encourage other community organizations to promote wellness in the workplace.
